

GOING PAPERLESS

Dear Youth for Christ Supporter,

In order to keep up with the times and to continue to grow as an organization, we want to encourage you to give to Youth for Christ with an Electronic Fund Transfer (EFT). EFT allows for an automatic transaction from your account to ours. This process is very convenient for you and for YFC.

If you sign up for EFT, all you will need to do is fill out the attached form and the rest is done for you. If you are unsure about what your routing number and account number are, you can send a voided check.

Your information is very confidential. Two passwords are required to get onto the banking system and your form will be kept in a secured file system. Once you have filled out this simple form and mailed it to Youth for Christ, your giving will begin. This authorization will remain in full force and effect until you notify YFC in writing that you wish to revoke this authorization. I understand that the company requires at least 3 business days prior notice in order to cancel this authorization. _____ (initial here)

Please feel free to direct comments or questions to me at 209-522-9568, Ext. 111.

Sincerely,
Christie Berlin
